READY FOR C. OF E.

Ichabods Expect to Wind Up
Season With Victory.Trobert and Bearg Are Both in
the Lineup.

With ex-Captain Earl Trobert at right end and Elmer Bearg at fullback, the Ichabods will go into their last game of the season on the College of Emporia field tomorrow stronger than they have been this fall.

But the trouble is, the players realize their increased strength and there is liable to be too much confidence. Coach Gray said Tuesday night that his team ought to win the game, but he doesn't care to see them before the game.

Lineup Uncertain.
At the last scrimmage Tuesday night part of the first team men were sent to the scrub line and part of the scrubs played first team positions. So there is no way of telling who will start in the Emporia game. However, Captain Beals seems to be slated for quarter, with Chamberlain, Champeny and Bearg in the backfield. Muirhead was used at end Tuesday night, but it is not thought he will play that position. Bailey was not out, and if he does not make the trip, Billings will undoubtedly side-kick with Trobert.

Good Game Expected.
Available dope on the C. of E. indicates that the teams should be evenly matched and the score close. Baker defeated Washburn 10 to 0 and was only able to win from C. of E. by the score of 6 to 3. Also, Cooper college won from the Emporians by one touchdown, the same as from Washburn. Some of the scoring ability of the Emporians may be gathered from the statistics of the C. of E.-Ottawa game in which Ottawa was snowed under 60 to 0.

A special coach, on the Santa Fe train leaving Topeka at 11:10 a. m. tomorrow will take the team to Emporia and the squad will return the same night if connections can be made.

Many of the Washburn players are planning to go to Manhattan Friday to see the Oklahoma-Aggie game.

C. of E. Crippled?
Reports from Emporia are all bearish in effect, it being said that the Presbyterians are in a crippled condition and are gloomier than they have been before any game this season. Among the stars who are said to be in a crippled condition are Hinchshaw, Smith and Weldower, all of whom it is said may not be able to get into the game.

Washburn, however, is taking little stock in these reports. The Ichabods have been fed on bear dope all season, and usually they have found it to be "fake stuff." But it is realized that the C. of E. mentor, Mr. Bruckner, will do all he can to save his men for the Thanksgiving game with "Bill" Hargiss' Normals tomorrow week.

NEW PLAYS FOR TIGERS.
Jawahawks Are Working on Open
Plays for the Missourians.

Lawrence, Kan., Nov. 17.—Kansas spirit came through the Nebraska disaster with little injury and everyone connected with the school is pulling for a comeback and a big victory over Missouri. Down on McCook field the Kansas coaching staff is busy finishing the team for the final struggle.

The Cornhuskers' visit has left some of the players in a damaged condition. Reber, the big end, is the worst sufferer. He received a wrenched knee that may keep him out of the annual Tiger battle. Reedy and Groft are nursing sprains, while Captain James is limping around with the same broken arch that has been bothering him for the last three weeks.

A light scrimmage was held last night with the second team, and some new plays were brought out and given a trial. From the offense used in the Nebraska game it looks as if Coach "Beau" Olcott's long heralded open game has arrived and forward passes were conspicuous in the plays tried out last night.

Reber, Heath, Lindsey, Groft and James were not out in suits but it was the need of a rest rather than injuries which kept the quarterback from the field.

Assumption Loses to St. Marys.
St. Marys, Kan., Nov. 17.—The Assumption high school team of Topeka was completely smothered by the terrific line plunges and fast end runs of the St. Marys juniors here Tuesday. The final score, 54 to 0, gives a true indication of the comparative strength of the teams. Kelly, Lanier, J. White, Lupke and Hagen were the

particular stars for St. Marys, while J. Monaghan, Marshall and C. Monaghan did the best work for the Assumption.

AGGIES NOT DOWNCAST.
Bender's Team Expects to Give Oklahoma a Good Battle.

Manhattan, Nov. 17.—"In spite of the fact that all the dope is with the Sooners, we expect to give them one of their hardest games when they come here Friday," says Coach John Bender.

The Aggies seem to have come out of the slump they went into after the K. U. game and then, too, we will be playing on our own grounds, a fact that always is a big consideration with the Wildcats.

The team is in fairly good shape with the exception of Bert Barnes, the star half back, who has a badly torn side muscle and probably will not go into the game. Ptacek has a badly sprained thumb, but that is not expected to keep him out of all the games.

There is every indication that the attendance at the game Friday will be a record. All the stores and business houses in Manhattan will be closed for the day and it is expected that excursions will be run here from nearby towns. The game will start at 2:15 and the admission is \$1.

LONGEST HARVARD PRACTICE.
Crimson Scrimmage a Team of
Coaches Tuesday Night.

Cambridge, Mass., Nov. 17.—Harvard's immediate preparation for the game with Yale to be played in the stadium next Saturday, began Tuesday. The fact that the practice session lasted two hours and a half and was the longest of the season was regarded as an indication of the importance attached by the Crimson coaches to the recent development of the team.

The offensive powers of the eleven were tested in an eight-minute contest with a team of coaches. The varsity made one touchdown.

Big Indian Game Friday.

Lawrence, Kan., Nov. 17.—The Oklahoma Aggies, headed by Coach Griffith, will arrive in Lawrence Thursday, one day ahead of the time for the clash Friday afternoon with Haskell. The game will be called at 3 o'clock, so Topeka football enthusiasts who wish to make the trip to Lawrence can take an early afternoon train and arrive in plenty of time for the contest.

Gibbons Shades Grebb.

St. Paul, Minn., Nov. 17.—Tommy Gibbons of St. Paul shaded Johnny Grebb of Pittsburg in a 10-round, no-decision bout here Tuesday night, in the opinion of sporting writers at the ringside. The local boy had the better of seven rounds, Grebb gained the margin in one round and two were even.

C. White Scores a Knock Out.

Boston, Nov. 17.—Charlie White of Chicago, who was defeated two months ago by Milburn Saylor of Indianapolis, turned on his conqueror Tuesday night and knocked him out a minute and a half after the bout started. White was the victor by a count of seven Saylor struggled to his feet only to go down again for the full count.

Iowa Should Make Showing.

Iowa City, Iowa, Nov. 17.—The Iowa football team easily broke through Nebraska formations Tuesday but in a two-hour scrimmage the freshmen could make no progress against the varsity. Garretson and Blackburn were still chained to the sidelines by injuries.

Oklahoma A. and M. Beat T. C. U.

Fort Worth, Tex., Nov. 17.—Oklahoma A. and M. football team defeated Texas Christian university here today, 13 to 0. Straight football gave the Oklahomaans the victory. T. C. U. used the forward pass for good gains but was unable to penetrate the visitors' line. Oklahoma failed to complete a pass.

C. B. C. Retains Football.

St. Louis, Mo., Nov. 17.—Christian Brothers college will retain football next year and probably will make application for admission to the Missouri Intercollegiate association. The schedule of the school this year calls for but six games. If the college is admitted to the intercollegiate association it will have an eleven game schedule next year.

Thorpe Licks an Indian.

Kansas City, Mo., Nov. 17.—Lonnie Tucker, the Indian lightweight, from Chickasha, Okla., Tuesday night was knocked out in the fifth round of a scheduled ten-round bout by Harvey Thorpe, of Kansas City. Tucker's sister, who manages him, was in his corner.

ALL-STATE STARS

The State Journal's All-Kansas
Team Compiled.Beals and Altman Best Players
in the Conference.

Now that the Kansas conference football season is on its last lap, the State Journal, as has been its custom in years past, offers its readers a selection of first, second and third all-Kansas teams.

Realizing that the coaches of the conference teams were in a better position to judge the relative value of the players, the sporting editor requested the mentors to make a selection and the all-Kansas teams given below represent the majority opinion of these coaches.

All-conference teams being mythical organizations and being selected merely on the judgment of individuals, naturally are subject to criticisms from many sources, and never prove satisfactory to all. But it is thought that the selections below, made in large measure by the men who have worked with the players all season and who have seen most of them in action, should come as near the mark as is possible in a democratic, liberty loving country where the individual's right to a private opinion about all things is one of the most precious and most cherished of all possessions.

Few Were Unanimous.

In few instances did the coaches agree unanimously on any one man for any position. However, all who made selections were practically agreed upon two men—Captain Beals of Washburn, at halfback and Altmann of the College of Emporia, at quarter.

In the selection of a fullback there seemed to be a wide range of opinions. The men who were picked were Bearg of Washburn, Belting of Emporia normal, Hinchshaw of the C. of E., Villipigue of Washburn, and Hantala of Southwestern.

The all-state selections are as follows:

First All-Kansas Team.

Fleeson, Cooper, L. E.
Parr, Friends, L. F.
Hartwig, Emporia Normal, L. G.
Melsers, Emporia Normal, C.
Mustard, Cooper, R. G.
Stewart, Washburn, R. T.
Williams, C. of E., R. E.
Altmann, C. of E., Q.
Ladner, Emporia Normal, L. H.
Beals, Washburn, R. H. (Capt.).
Bearg, Washburn, F. B.

Second All-Kansas Team.

Gatz, St. Marys, L. E.
Sharp, Emporia Normal, L. T.
Zeigler, Southwestern, L. G.
Rice, Washburn, C.
Taylor, Baker, R. G.
Robinson, Southwestern, R. T.
Dalton, Baker, R. E.
Staveland, Cooper, Q.
Edwards, Cooper, L. H.
Chamberlain, Washburn, R. H.
Belting, Emporia Normal, F. B. (Capt.).

Third All-Kansas Team.

Tanner, Pittsburg Normal, L. E.
Robinson, Southwestern, L. T.
Logan, Washburn, L. G.
Wood, Kan. Wesleyan, C. (Capt.).
Conrads, St. Marys, R. G.
Wallace, C. of E., R. T.
Peterson, Hays Normal, R. E.
Dalbom, Southwestern, Q.
Stevens, Kan. Wesleyan, L. H.
Champeny, Washburn, R. H.
Hinchshaw, C. of E., F. B.

In making the selections, only Kansas conference teams were considered. Consequently K. U., Haskell and Aggie players are not included.

Honorable Mentions.

Players who were picked by a minority of the coaches and whose work deserves mention, but who did not receive enough votes to be placed on one of the three teams are the following:
Boyer, Kan. Wesleyan, end; Fletcher, Friends, guard; Rutledge, Southwestern, end; Blaine, Ottawa, center; Whalen, St. Marys, tackle; Villipigue, Washburn, fullback; Hughes, C. of E., end; Baker, R. E., guard; Jameson, Cooper, guard; Carlson, Southwestern, center; Simmons, Friends, halfback; Monypenny, Emporia Normal, tackle; Kirby, Baker, center; Weldower, C. of E., tackle; Cannon, Salina Wesleyan, end; Cockerell, Pittsburg Normal, halfback.

Hays H. S. Wins Again.

Hays, Kan., Nov. 17.—The undefeated Hays high school football team won another victory here Tuesday by defeating Ellsworth high school 35 to 0. This makes a total of 250 points scored by Hays to six by opponents.

In another place on this page will be found the State Journal's all-Kansas football team. And take it from us, it's some team.

Look the first selection over, and then imagine, if you can, what kind of a chance Nebraska would have of making a 33 to 0 score against such an eleven.

The credit for assembling this team belongs to the conference coaches; the blame can be heaped upon this column. But, honestly, it looks like a winner.

For weight, speed, line plunging ability and punting strength it would be hard to find a team of greater punch. And as a defensive team it should stand like a stone wall.

With the coaches who made the selections Captain "Pinky" Beals, of Washburn, and "Twist" Altman, of the College of Emporia, were the big favorites. Only one coach failed to place "Pinky" on his team.

Many local followers will probably think that Rice, of Washburn, should have had center position on the first team. Rice has played great football in every game. But the majority of coaches seemed to think "Bill" Hargiss' candidate the man for the place.

Nebraska has little to fear from Iowa Saturday. Iowa has not defeated the "Huskies" since the Spanish-American war.

A fat delegation of Topekanians will go to Manhattan Friday to witness the Sooner-Aggie game. Many of them want to see the six-handed pass the Oklahomaans work.

Few believe that the Aggies will have a remote chance to win, but the Farmer students are relying on Coach Bender's past reputation as a surprise artist.

As usual at this time of the year the Bull Moose football party is coming to life. And as usual, there is talk of eliminating the kicking of goal after a touchdown.

The Progressives claim that it would be a better game if the one point maker were eliminated. As an argument, it is being pointed out that Notre Dame lost to Nebraska because of a lucky goal kick, and that the Badgers beat the Maroons by this one point.

If it is desirable to eliminate the kicking of goal after a touchdown, then why not eliminate all field goals? The element of luck enters into a field goal equally as much, if not more, than in the kicking of goal from a touchdown.

That there will be more Thanksgiving day games next year than this seems certain. Several of the Missouri Valley conference teams are said to be planning Turkey day dates for 1916, and it is pretty certain that Washburn college will again play on this day.

The preliminary basketball practice at Washburn is expected to begin as soon as the football season is over. However, a captain of the quintet is yet to be chosen, and most of the schedule is still open.

After sitting up night, doping out the all-Kansas teams, the K. U. plenipotentiary of the office insisted that this column pick an all-Missouri Valley team. So here goes: Chamberlain, Neb., l. e.; Corey, Neb., l. t.; Shields, Neb., l. g.; Moser, Neb., c.; Abbott, Neb., r. g.; Shaw, Neb., r. t.; Riddell, Neb., r. e.; Caley, Neb., q.; Rutherford, Neb., l. h.; Beals, Washburn, r. h.; Woody, Mo., f. b.

After last Friday's game, which they won from the Ichabods on a fluke, Aggie rooters in Topeka set up a howl and proclaimed that their team had won the game. They were right, and consequently won by their one fluke touchdown.

Now, this week the Kansas State Collegian, the official organ of the Manhattan Farmers, comes out with a big black ink praise for the Wildcats and puts them on the back for the "wonderful fight" they put up against Washburn. "Score was 6 to 0—Fighting Spirit of Wildcats Averted Disaster Several Times During Combat—Wildcats Real Fighters." Is the way the heading on the story reads. Can you beat it?

The "Home Coming" number of the University Daily Kansan, issued last Saturday as one of the features for the Husker-Jayhawk game, was, aside from the fact that its outside looked like a 10 cent music sheet, a handsome and creditable publication. "The Battlefield from an Aeroplane," the football dope, the illustrations, and even the Ford ad on the editorial page were all attractive features. The frontispiece, a Jayhawk in the act of booting, was drawn by Ward Lockwood.
